

Homework:

1. Buatlah segitiga menggunakan **Loop Statement**

Code:

```
const tinggi = 5;

for (let i = 1; i <= tinggi; i++) {
  let baris = "";

  for (let j = 1; j <= i; j++) {
    baris += "* ";
  }

  console.log(baris);
}
```

Output:

```
PS D:\KAHF\BOOTCAMP QA\session3> node homework.js
*
* *
* * *
* * * *
* * * * *
```
